Etiquette and Advice for Walking with our Group - Dogs policy : Sorry no dogs except for Registered Assistance Dogs. A reasonable level of fitness is required for all walks, ie; an ability to walk at a steady rate of 2.5 to 3 miles per hour, depending on terrain. On walks, do keep behind leader unless otherwise directed and keep in view of other walkers especially at the back of the party, and notify leader if leaving walk.. Please do NOT consume your own drinks or food on Pub premises and do NOT park in pub car parks unless you intend to make a purchase after the walk, unless told otherwise. When a walk changes direction please check that the person behind you knows where to go and always walk in single file on country roads and across fields in crop. Also leave public / farm roads free from Boot mud. In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.
