

Brentwood Ramblers - Programmed Walks - 1 August to 30 November 2022

All sporting and leisure activities have inherent hazards associated with them and rambling is no exception.
In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise.

In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.
