

# Brentwood Ramblers - Programmed Walks - 1st April to 31st July 2025

**All sporting and leisure activities have inherent hazards associated with them and rambling is no exception.**  
**In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise.**

**In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.**

| Saturday, 12 April 2025  | Billericay Laindon Common                                  | Circular walk of approximately 6 miles                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Could be muddy in places                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Les C.       | Circular           | 10:00      | CM12 9SY          | TQ6739993001     | total.hints.drove       | Laindon Common Road car park near A176                                                           | Moderate   | 6.0            |
| Sunday, 13 April 2025    | Linear Walk from Wrabness to Manningtree                   | A linear walk from Wrabness to Manningtree with return by train. The walk will start with a circuit of the nature reserve and then pass by Grayson Perry's House for Essex. We then return to walk along the Stour Estuary before heading inland to a lunch stop at Bradfield. After lunch the walk returns to the river near Mistily Towers and continues through the town of Manningtree to the station. Park at Wrabness Station (£3.70 parking fee) and return by train from Manningtree after the walk (approx. £3 fare with railcard/groupsave) Packed lunch is required as the pub does not serve food but has kindly agreed that we may eat our sandwiches there if buying a drink. | Alternative travel arrangements are possible:- 1. Park at Manningtree and take train to Wrabness before the walk. This will require an earlier arrival as train leaves Manningtree at 09:29 arriving Wrabness 09:38 2. Car share from Galleywood Common car park off B1007. Please meet at 08:40 if you need a lift or can offer a lift to others. 3. Train from Shenfield (approx. £19 return). Please check the feasibility of this option a few days beforehand as a rail replacement bus is often in place between Shenfield and Colchester Making the journey time impractical. | Geoff S.     | Linear             | 10:00      | CO11 2TN          | TM1810031502     | amps.reckon.seducing    | Wrabness Railway Station Car Park                                                                | Moderate   | 11.0           |
| Tuesday, 15 April 2025   | Circular walk from Woodham Ferrers                         | A circular walk from Playing fields Car Park. off B1418. Lodge Road. Woodham Ferrers Lunch at Fox and Hounds Cock Clarks. Brentwood Ramblers - Programmed Walks - 1st April to 31st July 2025

All sporting and leisure activities have inherent hazards associated with them and rambling is no exception.

In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise.

In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.

# Brentwood Ramblers - Programmed Walks - 1st April to 31st July 2025

**All sporting and leisure activities have inherent hazards associated with them and rambling is no exception.**  
**In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise.**

**In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.**

# Brentwood Ramblers - Programmed Walks - 1st April to 31st July 2025

All sporting and leisure activities have inherent hazards associated with them and rambling is no exception.

In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise.

In case of exceptional weather and circumstances such as snow or flood or public transport difficulties, check with the leader that the advertised walk is still on.
